

Applied Products Plumbing Division

Commercial, Submersible Sewage Ejector and Grinder Pump Packages 3/4hp - 3,000hp

Water Heaters, High Efficiency Boilers, Solar Solutions for Residential & Commercial Applications

Fire Pump Systems for Commercial & Industrial applications
(Contact Joe Kijowski)

Acrylic Bath Products For Commercial, Institutional and Residential Installations
(NOT in CT or Western MA)

Water Supply and Gas Appliance
(CT, VT & Western MA ONLY)

Whirlpools, Air Tubs, Shower Systems, Shower Bases, Walls & Doors

Packaged Pressure Booster Systems, Variable Speed Pumping Packages

Unfired Clean Steam Generators, Steam & Electric Water Heaters, Storage Tanks, Chilled Water Buffer Tanks

America's leading commercial faucet manufacturer for all electronic, metering, lab, food service, education & healthcare applications
(NOT in CT or Western MA)

Food Waste Disposers and Hot Water Dispensers for Residential & Commercial
(CT, VT & Western MA ONLY)

Laboratory & Commercial Safety Equipment; Gas Valves, Fume Hood Fixtures and faucets

Sump, Sewage, Effluent, Well, Sprinkler and Pond Pumps & Systems

Innovative Mixing Valves for: ASSE 1017 (master mixers); Emergency Shower & Eye Wash Tempering; Tub/Shower and all point-of-use applications
(NOT in CT or Western MA)

Trap Priming and Water Hammer Arrestors
(NOT in CT or Western MA)

Self Regulating Heat Trace Systems for Domestic Hot Water Temp. Maintenance & Freeze Protection

Rainwater Harvesting, RO/DI Systems, Commercial Water Softeners

Manufacturer of Solid Surfaces; vanity tops, shower bases and kits

Plastic PEX Tubing & Accessories

Applied Products Heating Division

Expansion Tanks, Well Tanks, Thermal Tanks, RO Tanks, Pressure Booster Systems

Geothermal Heat Pumps for Heating, Cooling & Hot Water

High Efficiency Low-Temp/High Output Perimeter Heating

HVAC/R and Plumbing Controls

High Efficiency Residential & Commercial Gas Volume Water Heaters & Boilers

Closed Cell Foam and Aluminum Reflective Insulation for Commercial Applications

Building Products Controls; Network Management & User Interface Devices

Clean Air Systems, HRV's, TRV's

Modulating Condensing Commercial Boilers and Volume Water Heaters

Gas, Oil, Water, Steam, Electric, Infrared Unit Heaters
(NOT in CT, VT or Western MA)

Heating & Make-Up Air Equipment, Oil-fired Unit Heaters

Condensate Return Pumps, Boiler Feed Systems, Vacuum Systems and Accessories

Hydronic Fan Convectors, Quiet One Kick Space Heaters, Hot Water Booster Coils

Solar Collector Tubes, Flat Plate Collectors, Solar Water Heaters and Accessories

Gas, Oil, & Electric Indirect Fired Water Heaters, Storage Tanks, Combination Appliances

Pumps, Controls Heat Exchangers, Flow Measurement Devices, Air Separators & Valves, Zone Control, Hydronic Accessories

Flexible Conncetors and Expansion Joints

Under Floor Radiant Heating, Snow Melt, Electric Floor Warming

Combustion Analyzers & Visual Inspection Cameras
