	Founded in 1923, Aerofin is a leading manufacturer of finned tube heat exchanger coils and related heat transfer equipment and accessories such as process gas coolers/heaters, transformer oil coolers, fan/coil units, integral face & bypass coils, frames for coil removal capabilities, airside transitions and drain pans.								
	Represented In These States	MA	RI	CT	NH	ME	VT	NY	PA

	In the USA, Airedale is a leading manufacturer of HVAC systems for schools and commercial applications. With a multitude of products that can heat and cool the air, or meet ASHRAE indoor air quality standards, Airedale is the name you can trust to meet your HVAC needs.								
	Represented In These States	MA	RI	CT	NH	ME	VT	NY	PA

	Alfa Laval is the leading supplier of heat exchangers for heating, cooling and air-conditioning and many of the world's famous buildings use our heat exchangers to maintain a comfortable indoor climate.								
	Represented In These States	MA	RI	CT	NH	ME	VT	NY	PA

	Aurora Pump is a leading supplier of pumps and pump systems used in a variety of markets and applications throughout the world. Our pumps are known for consistent, quality manufacturing and performance that outlasts competitors. Aurora Pump draws on its 90 years of experience to provide you with the pumping solutions you need.
