

“Made In America”

Not a quote that you hear very much anymore, is it?

Quick-Sling, LLC. is located on the South Shore of Massachusetts. It's warehouse, operations, fabrication and corporate offices are all on the same site.

Quick-Sling, LLC. hires locally and looks forward to employing many more residents of Massachusetts and perhaps New England.

So when you hear people talking about why aren't more products, "Made in America," think about Quick-Sling and the success story that manufacturing can be done well – right here!

Best!**

Quick-Sling, LLC fits the mold of those great American company success stories. A regular guy, Bill Crowley, a 25-year veteran HVAC installer, kept asking himself; *“Why isn't there an easier way to install these furnaces & air conditioners?”* Not finding a good answer, Bill invented that “easier way” and called it “Quick-Sling.”

The most common response that we've heard when people see Quick-Sling for the first time is; *“Why didn't I think of that!”* Well, thanks to Bill, you now have a much easier and more efficient way to install your HVAC units. ***The HVAC market will***
