CAML  TOMLIN

As the first Canadian manufacturer of acrylic bathtubs, CAML-TOMLIN has built a solid reputation over the past 35 years for unsurpassed excellence in the manufacture of acrylic bathtubs, showers, shower bases, shower doors, massage systems and accessories.

Distinctive Surfaces, by Emerson-Swan, showcases the very best in our vanity tops, tub & shower wall kits, bases, sheet goods and more. Our solid surface products are ideal for commercial applications such as universities, hospitals and building complexes. Our affordable solid surface products are available in a number of colors and sizes and are customizable to

PONTE GIULIO®

Slip and fall accidents in bathrooms cause thousands of injuries each year. As a result, the demand for bathroom safety products continues to increase. With that in mind Ponte Giulio, a manufacturer of architecturally friendly bathroom safety products brings their unique safety products to market.

Kitchen and bath designers take note...Watts Heat Weave Mats and Warm Wire® cables are the perfect floor warming compliment to any kitchen or bath remodel! Install Heat Weave Mats or Warm Wire® cables to warm almost any floor covering. They work great in new construction or remodeling and in projects of any size. Warm floors are also dry floors and that is important in any bathroom, kitchen, or entry. A Watts Radiant product.
